

SCHOOL OF BEHAVIOURAL SCIENCE

RESEARCH PARTICIPATION

INSTRUCTIONS FOR STUDENTS:

(Please refer to undergraduate handbook for further information)

1. It is a course requirement to accumulate **3 hours** of research participation or experimental work across the semester. This means that although it does not carry any marks, you **must** meet this requirement in order to pass the subject.
2. You must complete a combination of Questionnaire and Non-Questionnaire activities, at least 1 hour of Q and 1 hour of NQ. The final hour can be made up of either type or both.
3. This sheet should be submitted in the 1st Year posting box located in the Psychology Office foyer, 12th floor Redmond Barry Building by the required deadline for each semester (refer to undergraduate manual for the relevant dates).
