### STUDENT PROGRESS REPORT

Please attach a brief summary (maximum A4 page) of your research progress to date, making sure that you include the following:

1. The stage you have now reached in your overall research plan.
  2. Any problems you have encountered which may hinder successful completion of the thesis within the expected time of candidature.
  3. A timetable indicating what work still remains to be completed and when it will be carried out.
  4. If applicable, explain why you think you will need an extension of time beyond the expiry date of your candidature.
  5. How you have proceeded in the writing up of your thesis.
  6. Any other issues or concerns that you wish to raise about your thesis progress.
