

PSYCHOLOGICAL SCIENCES

**THESIS PROPOSAL
PRESENTATION NOTIFICATION**

Information on the thesis proposal presentation process is included in the Postgraduate Manual.

Students wishing to make a presentation should, in consultation with their supervisor, complete the information below and lodge this form as soon as possible with the Research Programs Officer, Psychological Sciences. The research proposal must be forwarded to each member of the nominated thesis advisory committee at least two weeks prior to the thesis presentation.

NAME: STUDENT ID:

DATE OF PRESENTATION: / / TIME OF PRESENTATION:

COURSE: MPsych (CL) MPsych (CN) MPsych (CC)
 MPsych/PhD PhD MPhil

TOPIC:

The presentation date and time are to be arranged by the student and supervisor. Inform the Research Programs Officer of the details when available. A meeting room and audio visual equipment will be booked by the Research Programs Officer.

Thesis Advisory Committee

It is the responsibility of the student and supervisor to nominate and invite suitable members of the advisory committee. For an MPsych proposal the committee should include the supervisor(s) and at least two members of the department, one of whom who will act as chair, and if necessary, one person who can supply methodological/quantitative guidance.

For a PhD or MPhil proposal the committee should include the supervisor(s) and at least three members of the department, one of whom who will act as chair, and if necessary, one person who can supply methodological/quantitative guidance.

i. Supervisor(s)

ii. Chair

iii. Other Staff
