

**Heart Foundation**

# **CALL FOR APPLICATIONS**

## **RESEARCH GRANTS-IN-AID**

### **FUNDING COMMENCING IN 2006**

Applications are invited for financial support for research in the study of cardiovascular disease and related disorders. The work may be pursued as an investigation in BIOMEDICAL, CLINICAL OR PUBLIC HEALTH RESEARCH.

### **APPLICATIONS CLOSE: 5pm, 1 April 2005**

Grants-in-aid of up to two years' duration will be awarded, with a maximum funding value of \$60,000 per year.

**Please note that there has been a change in the application process for 2005. This year we require one single-sided hard copy of the application plus an electronic copy including attachments. See information booklet for further details.**

Full details, eligibility requirements and application forms are available from our website [www.heartfoundation.com.au](http://www.heartfoundation.com.au) or for further information call Kylie Osborne (Research Program Coordinator) on (03) 9321 1524 or email [grants@heartfoundation.com.au](mailto:grants@heartfoundation.com.au).
